

# Summary of our general terms and conditions

The general terms and conditions give you an overview of our services on zalando.co.uk. Our offers are aimed exclusively at consumers making purchases for private purposes. We offer you a personalised shopping and service experience for Zalando items, Zalando partner items and Zalando pre-owned items. Zalando partner items are labelled as such and come from commercial retailers, while Zalando pre-owned items are used items and are also specially labelled.

## 1. Conclusion of contract:

By placing an order on the Zalando website, you declare that you are acting exclusively for private purposes. Your contractual partner is either Zalando SE or the respective Zalando partner depending on the type of products you order. The contract shall take effect when you click on the purchase button and receive the order confirmation. We reserve the right to refuse or cancel orders generated by automated programs or third-party services.

## 2. Prices, shipping costs and delivery conditions:

Prices indicated at the time of the order are final prices and include the applicable VAT. Zalando shall bear the shipping costs, unless specific shipping methods, for example express delivery, are specified in the order. Additional shipping costs may be incurred for orders below the minimum order value. You will be informed of the amount before placing the order and will receive further information on this in the detailed general terms and conditions.

## 3. Various payment methods:

Various payment options are offered, for example advance payment, credit card, invoice or PayPal. The actual payment methods available at the specific time of ordering may vary and you will be informed of the specific payment methods offered before placing the order.

## 4. Using vouchers:

Promotional vouchers that are issued as part of advertising campaigns or gift vouchers that are purchased can also be redeemed during the order process. The respective voucher conditions shall apply.

## 5. Right of cancellation:

As a consumer, you have a statutory right of cancellation. This means that you can cancel this online contract within 14 days of receiving the goods without giving reasons by 1.) informing us (e.g. by email or post) that you no longer want to uphold the contract and 2.) returning your order to us or our partner. All other information on cancellation can be found in the general terms and conditions.

## 6. Voluntary right of return:

We offer you a voluntary additional right of return, which we grant you voluntarily and independently of the 14-day right of cancellation. Your statutory right of cancellation remains unaffected by this. Further information on the conditions and extent of the voluntary right of return can be found in the general terms and conditions.

## 7. Refunds:

Any refunds will be made automatically using the original payment method.

## 8. Customer service:

Please refer to [our help pages or contact our customer service via this link](#) if you have any questions.

## 9. Potential complaints:

We have a reporting and complaints procedure to review potentially unlawful content. You have various legal remedies available if you do not agree with our decision.

## 10. Miscellaneous:

The statutory warranty rights to which you are entitled apply. Further information on this can be found in the

general terms and conditions. You also have the option of [downloading and archiving the general terms and conditions](#).

## Reporting and complaints procedure; out-of-court dispute resolution

On our website, we provide you with the opportunity to report products or other content that you believe fail to comply with prevailing laws or our terms of use (reporting). We will check these reports and inform you of the outcome. Should we decide not to take any action, you shall have the opportunity to submit this decision for review (complaint). Furthermore, you have the option of pursuing an out-of-court dispute resolution, as well as ordinary legal recourse.

In the event of any instance of misuse, we shall temporarily (or permanently) suspend the processing of reports and complaints. The term "misuse" shall apply if you frequently submit reports or complaints that are clearly unfounded. We shall consider all facts and circumstances available to us when assessing instances of abuse, and when deciding as to whether and, if so, for how long, to suspend the processing of reports and complaints. This shall comprise the absolute number of clearly unfounded reports or complaints, the relative proportion of unfounded reports and complaints in total, the severity of the instance of misuse and – if ascertainable – the intentions being pursued by the reporting party.

Before suspending the processing of reports and complaints, we shall issue a warning. We shall also inform you about the duration of any possible suspension.

### Standard Terms and Conditions (T&Cs) for orders placed online at [www.zalando.co.uk](http://www.zalando.co.uk)

We would like to familiarise you below with our standard terms and conditions, which govern how we process and settle your purchases. The <https://www.zalando.co.uk/women-home/> website offers "Zalando merchandise" and "Zalando partner merchandise" for sale.

**The offers on our website [www.zalando.co.uk](http://www.zalando.co.uk) are directed exclusively at consumers who conclude the purchase for a purpose that cannot be attributed to their commercial or professional activity.**

Zalando merchandise is all merchandise that we offer on <https://www.zalando.co.uk/women-home/>, unless it is identified as Zalando partner merchandise on our website.

Zalando partner merchandise is merchandise that we offer on [www.zalando.co.uk](http://www.zalando.co.uk) and identify as partner merchandise.

## 1. Formation of contract and delivery of merchandise

1.1. By placing an order you confirm to purchase for private purposes exclusively.

1.2 For orders placed online at [www.zalando.co.uk](http://www.zalando.co.uk), we enter into English language contracts only. When you order Zalando merchandise, your contract is with Zalando SE, Valeska-Gert-Straße 5, 10243 Berlin. When you order Zalando partner merchandise, depending on the Product you select, you either have a contract solely with the respective Zalando Partner or with both, Zalando SE and the respective Zalando Partner together (joint seller).

1.3 By clicking on "Buy now", you are placing a binding order for the items in your shopping cart. Once you have submitted your order, we will immediately send you an e-mail acknowledging your order. This confirms that we

have received your order but is not an acceptance of your offer. A binding contract is formed when the items have been dispatched.

1.4 You consent to the assignment of the seller's claims for payment of the purchase price to third parties, in particular to Zalando Payments GmbH.

1.5 In the event that an item you have ordered is unavailable, we will let you know as soon as we can and, where payment has already been made, make a refund to your payment method without undue delay.

1.6 We do not assume the risk of having to procure ordered merchandise elsewhere (procurement risk). This applies also to orders for generic goods (where only the type and features of the goods are described). We are obliged only to make deliveries from our available stock and from the stock we have ordered from our suppliers. Where we make deliveries of goods from our available stock, the goods provided will be consistent with the order made by you. Our stock includes the relevant Zalando partner's stock where Zalando partner merchandise is ordered. Where time periods are expressed in working days, a working day means all of the days between Monday and Friday inclusive, but not UK public holidays.

1.7 We reserve the right not to accept an order or to cancel the order if the order is being placed by the use of software, robot, crawler, spider or any automated system or scripted behavior and any use of third party services used to place an order on your behalf.

1.8 We will inform you about the expected delivery time on each product detail page as well as immediately before you place an order.

1.9 We hereby reserve the right to exclude customers with conspicuously high (and unusual) product return behaviour from further purchases for a period of up to 12 months. This shall apply, in particular, to repeated, disproportionately high numbers of returns (or instances of return behaviour considered to be 'abusive') that do not correspond to normal buyer behaviour.

## 2. Prices and shipping costs

2.1 All prices on the Zalando.co.uk website are given in Pounds Sterling. Subject to section 2.5 below, the prices given on the website on the date the order is placed shall apply. The stated prices are final prices (totals) and include any applicable delivery charge and value added tax (VAT) at the applicable statutory rate. All items remain our property or the property of the relevant Zalando partner, as the case may be, until full payment of the purchase price.

2.2 We deliver within UK only. For orders of £35.00 or above there is no shipping charge. Orders of less than £35.00 shall incur a standard shipping charge of £3.99 including VAT. Shipping costs accrue and are levied by Zalando.

2.3 Express delivery is available for certain orders. When placing your order, you will see whether this option is available for your particular order as well as the costs of this option. Items will be delivered within 2 working days at the latest. If items do not arrive within that delivery period, you will be entitled to receive a refund of the delivery costs. Please contact us for further information.

2.4 Depending on where your item is being shipped from, long-distance delivery fees of £3.99 including VAT may apply. We will inform you accordingly before your order is placed if long-distance delivery fees apply for the item selected. Long-distance delivery costs accrue and are levied by Zalando. If you decide to return any item for which long-distance delivery fees have been charged, we will refund the long-distance delivery fees if the full order is returned. Your statutory rights remain unaffected.

2.5 If you decide to return any item ordered in accordance with these terms (see section 6 below and our return policy) we will refund the standard shipping charge for orders of less than £35.00 when the full order is returned. We will not refund any additional cost associated with express delivery.

## 3. Payment

3.1 We accept the following payment methods: debit and credit card, and payment through Paypal. We reserve the right not to accept certain payment methods for a given order and to refer to other payment methods. Please note that we only accept payments from accounts within the European Union (EU). You are responsible for any costs associated with money transactions.

3.2 In the case of credit card purchases, your card will be charged when we ship your order.

3.3 We reserve the right to charge a fixed late payment fee of £ 5.00 per reminder notice if you default on payment. You have the right to bring evidence to show that the actual damage sustained was substantially less than the fixed fee, or that no damage was sustained at all.

3.4 You consent to receiving invoices and credits solely in electronic form.

## 4. Promotional vouchers and their redemption

4.1 Promotional vouchers are vouchers that cannot be purchased, but are issued by Zalando during advertising campaigns and are valid for a certain period of time.

4.2 Promotional vouchers can be redeemed once only in connection with an order, and only within the specified period. Please check the terms and conditions of any promotional voucher before using it as certain brands may be excluded from the promotion and a minimum order value may apply. Promotional vouchers may not be used to purchase gift vouchers.

4.3 The value of the items ordered must equal or exceed the value of the promotional voucher. No refund or credit will be given for underspend. If the voucher does not cover the value of the merchandise, the difference can be paid using any of the accepted payment methods. The value of promotional vouchers will not be paid out in cash, nor will it accrue interest. Promotional vouchers will not be refunded if all or some of the items you ordered are returned.

4.4 Promotional vouchers can only be redeemed before the ordering process is complete. It is not possible to apply vouchers retrospectively. Promotional vouchers cannot be transferred to third parties. Unless we have agreed otherwise, it is not possible to combine multiple promotional vouchers.

4.5 If you return items which you bought using a promotional voucher, and, as a result, the total value of your order is less than or equal to the value of the promotional voucher or if you fall below the offer threshold, we will adjust the refund accordingly.

## 5. Terms and conditions for Zalando Gift Cards

5.1 Zalando Gift Cards are issued by Zalando Payments GmbH. Zalando Payments GmbH is an e-money institution licensed in Germany. However, Zalando Gift Cards are not e-money.

The Zalando Gift Cards are not e-money but non-regulated stored value. This means that the Zalando Gift Cards are not supervised by the competent supervisory authority, nor do the statutory protection for e-money apply. In particular, you do not have a right to request a redemption for cash.

### 12.4 How Our Ranking Works

Our recommender systems are designed to help you find the most relevant products among the thousands available on our platform. It is based on a combination of algorithms and criteria that are continuously refined to ensure an optimized shopping experience.

#### 12.4.1 Key Parameters Influencing Rankings

- **Relevance to Search Query:** Our system prioritizes products that match your search terms or browsing behavior. This includes assessing product titles, descriptions, product images and categories for alignment with your input, your filters, your categories, your sorting.
- **Popularity:** Products that are frequently purchased, highly rated, or often viewed by other customers may rank higher, as these indicators suggest customer satisfaction and interest.
- **Personalization:** If you are logged into your account, our system may use your browsing history, purchase history, and preferences (e.g., size, style) to tailor the ranking to your interests.
- **Price:** While all price ranges are represented, the system may highlight products that align with your historical preferences and/or current promotions.
- **Promotions and Sponsored Content:** Products that are part of special promotions or are sponsored by sellers may be given higher visibility. Sponsored listings are clearly labeled as such to ensure transparency.

- **Availability:** Products in stock and available for immediate purchase are prioritized to enhance your shopping experience.
- **Sustainability Indicators:** Products meeting certain sustainability criteria, such as eco-friendly materials or production methods, may be given preference if you have shown interest in such attributes.
- **Country:** Which version of the Zalando Shop you are visiting might have an influence on which products are available to you.

#### 12.4.2 How parameters interact

The relative importance of these parameters can vary based on the context of your search or browsing session. Most relevant parameters are the country, item information, the selection of filters and sorting, e.g. favoured sizes, and the popularity of items as well as preferences, purchases and browsing activities. Below, we provide an overview of how our ranking works, including the key parameters and their interplay that influence the order in which products are displayed to you:

- **Search Relevance First:** If you perform a specific search query, relevance to that query will be weighted most heavily, while other parameters such as popularity or personalization will play a secondary role.
- **Personalization Priority:** When browsing without a specific query, your previous interactions with the platform will influence the ranking, alongside product popularity and availability.
- **Promotion Influence:** Sponsored content and promotions are integrated into the ranking with a balanced approach, ensuring that they do not overshadow organic results that match your interests.

#### 12.4.3 Transparency and User Control

We are committed to providing you with a transparent shopping experience. To this end:

- **Sponsored Content Labeling:** Sponsored products are clearly marked with a label to differentiate them from organically ranked items.
- **Sorting Options:** You can override the default ranking by using sorting options such as "Price: Low to High", "Customer Ratings", or "Newest First" to tailor the product order to your preferences.
- **Personalization Settings:** You can manage your personalization preferences or choose to browse anonymously by adjusting your account settings.

#### 12.4.4 Algorithmic Monitoring and Updates

To ensure fairness and relevance, our recommender system is monitored and updated regularly. We conduct rigorous testing to identify potential biases and continuously improve the algorithm to align with your needs and expectations.

#### 12.4.5 Managing your preferences

The respective parameters for an individual recommender system can be accessed via the "info-i" symbol on the recommender system, for example on the catalogue page. The following link will provide you with further information on the profile information we use and the possibility of influencing the use thereof for the recommender systems on the entire platform:
